AN OFFICIAL  
**ESE**  
JOURNAL

The Society for Endocrinology is one of the world's leading authorities on hormones.

Established in 1946, the Society's aims are to support the advancement of scientific and clinical knowledge and increase research in endocrinology for the public benefit. It also plays a vital role in promoting and supporting endocrinology worldwide.

The Society for Endocrinology offers a range of journals including *Journal of Endocrinology*, *Journal of Molecular Endocrinology*, *Endocrine-Related Cancer*, *Endocrine Connections* (open access) and *Clinical Endocrinology*.

## COVER ART COMPETITION

Readers are invited to submit their endocrinology images for entry into the *Journal of Molecular Endocrinology* cover art competition. Winners will be selected by the Editor-in-Chief and will have their imagery featured on the cover of an issue of *Journal of Molecular Endocrinology*, both in print and online. Winners will be cited in the journal and will receive a professionally printed copy of the journal cover featuring their scientific image.

To enter the competition please email your images to [jme@endocrinology.org](mailto:jme@endocrinology.org) accompanied with a short caption of 25-30 words explaining what the image depicts, its magnification and who should be acknowledged for its production. Images should be of high quality and resolution of at least 300 dpi at the final published size 220 mm (W) × 100 mm (H).

By submitting an image you warrant that you own the copyright and agree that images may be used in promotional material. Images not selected for use may still be used by the Society for Endocrinology and Bioscientifica for promotional purposes.

## 2015 Prizes

### IMPORTANT NOTICE:

Nomination Closing Date  
**28 February 2014**

### Geoffrey Harris Prize

Nominations now open for the  
2015 Geoffrey Harris Prize

The European Society of Endocrinology is pleased to present the annual Geoffrey Harris Prize.

This prestigious prize, worth €12,000 and generously sponsored by Ipsen, is designed for established researchers in the field of neuroendocrinology and is the first of its kind in Europe.

The prize will be presented at the annual European Congress of Endocrinology, where the winner will be asked to give one of the main lectures, in addition to two other lectures at future ESE scientific meetings.

Nominations for the prize are invited from any scientific organisation or administrative group. The candidate must be a member of ESE and self-nominations will not be accepted.

The deadline for nominations for the 2015 Geoffrey Harris Prize is 28 February 2014.

For further information on either prize please visit the ESE website at [www.es-hormones.org](http://www.es-hormones.org).

### European Journal of Endocrinology Prize

Nominations now open for the  
2015 European Journal of Endocrinology Prize

The *European Journal of Endocrinology* Prize is awarded to a candidate who has significantly contributed to the advancement of knowledge in the field of endocrinology through publication.

The prize consists of a certificate and €10,000 plus travel expenses and will be presented during the annual European Congress of Endocrinology.

The recipient of the prize will be expected to give a lecture on the relevant research during the congress and also to write a review paper to be published in the *European Journal of Endocrinology*.

Nominations for the prize are invited from individuals or groups. The candidate must be a member of ESE, less than 45 years of age on 1 January (of the congress year) and be permanently resident in Europe. Self-nominations will not be accepted.

The deadline for nominations for the 2015 *European Journal of Endocrinology* is 28 February 2014.

# WHY PUBLISH IN ENDOCRINE CONNECTIONS?

Publishing original quality research in all areas of endocrinology, with a focus on papers that have relevance to its related and intersecting disciplines and the wider biomedical community.

"The extremely fast turnaround of our manuscript was impressive"

Dr Martin Weickert, University of Warwick

- Editor-in-Chief:  
Dr Jens Sandahl Christiansen
- **High-quality:** an esteemed editorial board selects the very best research for publication
- **Interdisciplinary:** stimulating cross-discipline collaboration
- **International:** extending the reach of your work
